\*This rate is in addition to the school day tuition and provides full day care during the two parent conference weeks as well.

**PAYMENTS** Tuition is payable either in advance or in payments as set forth above. Payments are due on the first of each month, September through June. The amount paid each month bears no relationship to the number of school days in the month. Paying the entire year's tuition in advance is of benefit to the school. There is a 5% reduction in tuition for families who are able to do this by August 31. Changes in schedules more than one time per school year will result in a bookkeeping fee of \$25.00. Extra hours are billed at \$10.00 per hour with prior arrangement.

**LATE PAYMENT** There is a ten-day grace period for payment. Payment received after the tenth of the month will incur a \$25 late fee. An additional \$5 will be charged for each additional business day late.

**LATE PICK-UPS** There is a \$1/minute charge for late pickups as this delays staff breaks and the end of shift for staff members.

**TUITION DEPOSIT** A non-refundable one-month's tuition deposit is required by June 1, prior to enrollment. This deposit will be applied to the last tuition payment for the child's Kindergarten year.

**FINANCIAL ASSISTANCE** Woodland Montessori proudly accepts Working Connections Childcare Subsidy payments. This means that families can apply for a reduced payment (based on their financial situation) which is also subsidized by DCYF. If you need assistance in learning about the application process, feel free to ask our Director for help. At this time, we are unable to provide school-funded scholarships. We are also authorized to accept DOD fee assistance program for military families. Finally, we have an in-house scholarship option (regardless of family income) for the Kindergarten year.
